B. STAFF

All staff share responsibility for creating and maintaining a work environment that is free of discrimination and harassment. Complaints of discrimination and harassment based on sexual orientation and gender identity shall be promptly investigated and resolved as stated in Administrative Regulation FBCA.AR – Respectful Working Environments.

The District engages in employment practices which:

- are free of bias resulting from any prejudice, including prejudice related to sexual orientation and gender identity; and

- ensure equal opportunity for employment and advancement.

C. PROFESSIONAL LEARNING

To assist all staff to become more knowledgeable about sexual and gender minority identities, cultures, and communities, Diversity Education and Comprehensive School Health will provide professional learning opportunities to assist all staff to acquire the knowledge, skills, attitudes, and
appropriate teaching practices necessary to create safe, inclusive, equitable, and respectful schools regardless of how students are perceived or identified.

D. TEACHING AND LEARNING RESOURCES

E. SEXUAL ORIENTATION AND GENDER IDENTITY ADVISORY COMMITTEE
To foster community involvement, a Sexual Orientation and Gender Identity Advisory Committee may be established. Should such a committee be established, this committee would serve in an advisory role to support the effective implementation of this regulation.

E. GENDER IDENTITY AND GENDER EXPRESSION
To support the safety, health, and educational needs of students who identify as, or are perceived to be, transgender or transsexual persons, District staff shall adhere to the following recommended practices wherever possible and appropriate:

- **Names and Pronouns** - A student or staff member has the right to be addressed by a name and pronoun that corresponds to his or her consistently asserted gender identity.

- **Official Records and Communication** - When requested by an independent student, or the parent/guardian, the student's official record will be changed to reflect their preferred name, sex, or gender. All school forms and records shall be changed to ensure that a student's preferred name and sex or gender is current on class lists, timetables, student files, identification cards, etc.

- **Gender-Segregated Activities** - To the greatest extent possible, schools should reduce or eliminate the practice of segregating students by gender (with the exception of already established single gender-based alternative programs). In classroom activities or school programs where students are segregated by gender, all students should be given the option to be included in the group that corresponds to their consistently asserted gender identity.

- **Gay-Straight Alliances or Queer-Straight Alliance Organizations and Activities** - All students shall be supported in the establishment of a voluntary student organization such as a gay-straight alliance or a queer-straight alliance and/or to lead a related activity intended to promote a welcoming, caring, respectful and safe learning environment that respects diversity and fosters a sense of belonging.

- **Athletics, Locker Room, and Change Room Access and Accommodation**
  - All schools shall proactively review their student athletic policies to ensure they are inclusive of sexual and gender minority students. Transgender and transsexual students shall not be asked or required to have Physical Education outside of assigned class time, and shall, subject to safety considerations, be permitted to participate in any gender-segregated activities in accordance with their consistently asserted gender identity, if they so choose.
  - All students shall, subject to safety considerations, have access to locker room facilities that correspond to their consistently asserted gender identity. In locker rooms that require undressing in front of others, students who desire increased privacy, for any reason (e.g., medical, religious, cultural, gender identity, etc.)
shall be provided with accommodations that best meet their individual needs and privacy concerns.

- **Restroom Accessibility** - All students shall have access to the restroom that allows for appropriate privacy and that does not significantly disrupt the school environment. Staff shall consistently demonstrate sensitivity to the needs and safety of all students with respect to restroom access. The Principal shall ensure that individual solutions to restroom access are implemented with respect and discretion.

- **Dress Code** - All students have the right to dress in a manner consistent with their gender identity or gender expression.

- **Resolving Conflict** - The Principal shall be the final determiner of disputes that may arise with regard to a transgender or transsexual student's participation in educational or athletic activities. The principal shall ensure that the resolution of any conflict ensures reasonable accommodation and inclusiveness.

The District understands that change occurs over time and believes that the provision of an annual report at a public board meeting on progress related to each of the strategic directions identified in this regulation will ensure accountability and demonstrate the District's commitment to support our diverse community.
